served a luncheon catered by Mrs. William Sylvia. Mrs. Victor Twiraga had arranged lovely spring decorations.

An invocation was given by Mrs. Charles Smith, followed by the Pledge of Allegiance to the Flag, and the singing of "My Country 'Tis of Thee", Mrs. James Hinman, piano accompanist.

Mrs. Louis Corey, Jr., club president, presided over the business meeting. The secretary's report, including the report of the last annual meeting, was given by Mrs. Roger Kelley. The motion was made and carried to accept the treasurer's and auditor's report as submitted by Mrs. Robert B. Smith.

Corresponding secretary, Mrs. Harlan C. Broadwater, announced the annual State Federation meeting to be held May 13, 14 and 15 at the New Ocean House in Swampscott. Mrs. Marshall W. Ross, State Federation second vice-president and Resolution Committee member, explained the new resolutions, one on Crime, the other on Home and Recreation Safety, that will be submitted for affirmation at this meeting.

The program was provided by the talented "Leading Ladies" of the Mattapoisett Woman's Club's drama group, presenting "Green Room Blues" by Fred Carmichael. This one-act comedy, quite apropos, took place in the backstage green room of a woman's club before the opening of the club's annual spring presentation. The manner in which each "actress" faced the moment when the curtain would rise made this a delightful and different comedy.

JUNIOR GRANGE

Mattapoisett Junior Grange held its bi-monthly meeting last Friday night with Manuel Roderick, master of Fairhaven Grange, an honored guest.

Jane Buckley sold cookies from her table for her Home and Community Service fund. An agriculture report was given by Ray Silveria who spoke about grape vines, asparagus and getting peas in the ground for an early picking.

Plans were discussed for the program being presented for the Subordinate Grange Thursday night, May 2nd.

The lecturer's program opened with a march with Joseph Carson winning the prize.

A fine exhibition of hobbies was displayed and as lecturer Breton presented each collector he or she would show and tell about their hobby.

Robert Linhares displayed his collection of various cards, Mark Harris, a rocket and how it worked; Harlene Fearing, her doll assortment; Robert Burbank, his unusual collection of dinosaurs; Gail Wilbur, an interesting scrapbook she has been making in the last few years; Donna Layport displayed her dolls from all over; Katherine Buckley, a large hobby of books; Ann Carson, art work; Mary Beth Breton, her collection of trolls; and

Comedy by O.R. Seniors

The Senior Class at Old Rochester Regional High School is presenting "Love is Contagious," a delightful 3-act comedy for the entire family May 10 and 11 in the Gilbert D. Bristol auditorium. Curtain time is 8:15 for Patricia McLain's laugh-filled 'happening' about a young Kansas miss who comes to New York's Greenwich Village to rejoin her brother who reports for a New York daily. What Sally Winters doesn't know is that her brother Robbie shares his bachelor apartment with artist-ladies' man Sam Harway - who likes people the way they are and doesn't like other people trying to change them. Sally tries to and somehow succeeds and that includes Sam.

The play has several riotous moments as

Sally, frequently maternal and completely lovable, gets herself involved in practically everybody's life.

Jo-Anne Wright as Sally and Merton Howes as Sam are ably supported by Mike Collyer as Robbie and Jo Powers as Diane Roberts, Robbie's fiancee. There are seven other memorable characters --- Nancy Swanson as the landlady, Mrs. Kayser, who likes to talk about the rent, additional boarders, and her three dead husbands; Corrine Lawrence as Miss Lerner, the busybody spinster who lives next door to Sam and Robbie; Peter Balzarini as the cabbie who charges the guys interest on their unpaid cab bills and whose biggest problem is his women; Christopher Ranney as Harry Turner, the horse player who always loses; Jo-Anne Bessette as Mimi Lamarr, a French model and pinup who likes fur; Debbie Hartley as Georgia Rutherford, from Georgia, who looks as if she works in a book store and does; and Kitty Bauge, a bleached blonde chorine with the shapeliest legs this side of the Mississippi. Kitty chews gum and is definitely not a lady.

Directing are Mr. Robert Johnson and Mr. Llewellyn Roberts, both of the Old Rochester English department.

Rochester Historical Society

Milton A. Travers of New Bedford, well-known author, lecturer and authority on the Wampanoag Indians, was guest speaker at a recent open meeting of the Rochester Historical Society. Harry Brown, program chairman, first explained briefly the purpose and projects of the Society and made a public appeal for any historical data that might be of value to the organization. He then introduced Mr. Travers who spoke on the history and lore of the Wampanoag Indian Federation, a collective group of 30 or 40 Indian tribes which dwelt in southeastern Massachusetts and Rhode Island. The lecture offered many insights into the life, religion, language and personality of our earliest local inhabitants.

Books written by Mr. Travers include "The Wampanoag Indian Federation", "The

Miss Wareham Pageant

Eight lovely contestants for Miss Wareham of 1968 were presented for the first time to the public at a Scholarship Ball held Saturday night under the sponsorship of the Wareham Chamber of Commerce at White Cliffs in Plymouth.

The gala affair, sponsored for the first time by the Chamber of Commerce as a preliminary staging for the Miss Wareham Scholarship Pageant, gave members and guests an opportunity to initially "judge for themselves" a Queen to replace current Miss Wareham, Kathy Schaaf of Mattapoisett. This charming blond was on hand to assist in presenting all eight girls who will vie to wear her crown in the coming year.

Escorted before the happy viewers by formally dressed Chamber officers and friends were Noreen McConnell of Plymouth, Lizbeth Pablo of Mattapoisett, Becky Ann Zora of Marion, Brenda Pierce, Barbara Gallus, Martha Montrand, Donna Desjardins and Colleen Joyce of Wareham. As yet, no entry is available from Middleboro, the lone town in the Wareham-franchised area not to be represented.

The Scholarship Ball was planned this year by the Chamber of Commerce in an attempt to provide contestants with additional scholarship awards in the Miss Wareham Pageant to afford these young ladies every opportunity

to further their education and careers. It is a fitting start towards the Miss Massachusetts Pageant scheduled this July in Attleboro and the "grand finale" in Atlantic City, New Jersey, for the selection of Miss America.

With the initial success of this year's Scholarship Ball, plans will be formulated to enlarge on this preliminary affair next year. However, for the eight lovely Misses presented Saturday night, the fun is just starting. Several public appearances will be scheduled for each girl prior to the Miss Wareham Pageant on Saturday, May 11. They also will now start preparing for their important meetings with Pageant judges and of-

Gay Nineties to Return

FELLOWSHIP TO PRESENT MELODRAMA

Despite the lack of a convenient time tunnel, area residents are nevertheless promised a nostalgic trip back through the years, to the fabulous era of the gay nineties, to take place on the evening of June 15. On that date, the Pilgrim Youth Fellowship of Mattapoisett Congregational Church is planning to present an evening of gay nineties fun and intrigue.

The major entertainment will be a parody on the old fashioned melodrama, a burlesque farce called "Little Nell". Featured in this dramatic presentation are Sarah Flanders as the Heroine, "Little Nell"; Jeffrey Dunn as her Hero, Christian Saether as her Villain, with Richard Helfand and Lisa Saether as poor Nell's perplexed parents. Also featured in the cast are Daniel Briggs, Janet Dorr and Mark Harris.

All club members are involved in assuring the successful time transportation of the audience. An authentic 1890's atmosphere is planned, with period costumes, music, refreshments and between acts entertainment. The audience will be urged to participate in the evening's nostalgic proceedings, by garbing themselves in the fashions of the late nineteenth century.

Committee chairmen are as follows: Jackie Furnans, posters; Allen Hickey, tickets; Marsha Finley, Judy Milne, Linda Marcoux, Mark Harris, talent scouts; Erica Nelson, Melinda Briggs, refreshments; Gail Chase,

Robert Hastings of Marion directs Clark and Ronald Ward of Dartmouth and Mattapoisett directs Massasoit. Both camps have won National Recognition each year for staff, facilities and program. Both camps employ many of the young people from the area each summer. Both have the complete summer program including sailing, skiing, swimming and all of the sports and crafts.

Camp Clark is for boys who want the excitement of two weeks or more away from home and in a beautiful lakeside atmosphere. Boys from age seven through fourteen attend Clark from all of the east and gain the very tangible benefits of new friends, new skills, added muscle and the storage of memories that last them a lifetime.

Massasoit, on the other hand, is a Day Camp where boys and girls may register for one week or more. Union St. R. R. busses tour the area each morning and return late each afternoon. The campers are involved in eight sub-divisions at camp so they will have the joy and challenge of some forty other youngsters at their own age level. This camp has an outstanding sailing and

HOW TO STOP OBSCENE MAIL

A number of Old Rochester young people in their teens and younger have been receiving advertising matter for pornographic literature. Parents in town might be interested to know that something can be done to prevent this obscene matter from reaching these high school age children.

Take the advertising matter together with the envelope to the town Post Office. Ask the Postmaster or one of the clerks for the form which is provided for these complaints. After you have submitted this form, take any further literature received from the same source or other to the Post Office. The Post Office Department will take care of the stopping of the obscene mail.

Most of the mail has been coming from the New York area. Some has been represented as medical material. Adults may want to check the mail before their children receive it to weed out this matter.

SOCIAL SECURITY ASSISTANT DISTRICT MANAGER SPEAKER

On May 8th at 8 P.M. Mr. Arthur R. Hogan, assistant district manager of the Social Security Office of New Bedford, will speak at Legion Hall, Main Street, Wareham. Mr. Hogan will explain all the new additions made to the law and answer questions.

The Legion is opening this meeting to the public as part of their Community Service Program and hope that many interested citizens will attend.

Mr. Hogan is a graduate of the University of Connecticut, served two years in the army in Korea, and is a Past Commander of Post 38, American Legion, as well as past president of the Torrington, Connecticut, Parent-Teachers Association and Past State Director of the Connecticut Junior Chamber of Commerce, and member of the Lions Club of Mattapoisett, where he now lives with his wife

Civil Defense Week

The Board of Selectmen, Mattapoisett proclaimed the week of May 5-11 as Civil Defense Week and urged all residents to learn more about the many responsibilities of Civil Defense in being prepared to combat all types of disaster.

Selectmen stated that "we are fortunate in Mattapoisett that we do have an effective, well-trained Civil Defense organization under the leadership of C. D. Director, L. H. Mosher, but the main strength lies in the large number of skilled volunteers who give unselfishly of their time and energy during a disaster situation."

OIL BURNERS ADJUSTED

Comprehensive burner service contract covers annual check-up and adjustment plus other cost-saving services

OUR COMPREHENSIVE BURNER SERVICE CONTRACT helps guard you against heating worries. And it can lower heating costs these three important ways:

1. By making sure your burner is cleaned and adjusted for peak efficiency—to help give you maximum heat from every gallon of fuel.
2. By catching little troubles before they can become big ones. A small adjustment or repair in your heating system now may save you many dollars later on.
3. By insuring you against unexpected repair bills. This makes sure you always get heat.

For complete details about our burner service contracts—and about our many other services—call us today at the number below.

MATTAPOISETT PUBLIC WORKS STUDY REPORT

LEGISLATION PROPOSED TO SET UP MATTAPOISETT DEPARTMENT OF PUBLIC WORKS

The 1967 Town Meeting, by adopting Article 41 of the Warrant, directed the Selectmen to appoint a committee which, with the Selectmen, was to prepare a draft of legislation to enable Mattapoisett to establish a Department of Public Works. Pursuant to this article the Selectmen appointed as committee members Antone Brockelman, Donald Linhares, Walter Longmore, Berthold Putman and Jarvis Stratton. Subsequent to his election as Selectman, Mr. Linhares was replaced on the committee by Frank Pimental.

During the past year, the committee has met many times and has discussed its work with the Selectmen. It has studied and concurred with the findings of the 1966 Special Committee to Make a Study of a Department of Public Works, and has drafted legislation to be proposed by the Selectmen to the State Legislature. If enacted, such legislation will enable Mattapoisett to set up a Department of Public Works more or less tailor-made to its requirements.

The Committee concurs unanimously with its predecessor committee as to the benefits to be derived from a Department of Public Works (See pages 77 - 80 of the 1966 Annual Report). In summary form, these advantages are as follows:

1. Continuity of qualified personnel. As the 1966 Committee stated in its report, we have had men in important positions, over the years, who are devoted, willing to work for modest compensation, and possessed of skill and experience gained largely during their long service. We cannot expect them to carry on forever, and we should be prepared to carry on essential services after they have retired. There will not be time for new men to acquire the experience to carry on satisfactorily without adequate planning and organization.
2. More efficient use of town-owned equipment.
3. More efficient and economical purchasing.
4. Better and more efficient over-all planning of town maintenance and construction projects.
5. Better management of refuse collection and town dump facilities.

Although the Committee believes a Public Works Department can be set up at no increase in over-all salary cost, there is no guarantee that this will be the case. It is to be expected, however, that substantial savings will be realized through centralized planning and more efficient use of personnel and equipment.

The proposed legislation will be the subject of an open hearing to be held at the Town Hall, at 7:30 P.M., May 9, 1968.

The complete text of that legislation follows:

An Act Authorizing the Town of Mattapoisett to Establish a Board of Public Works exercising the Powers of Certain Other Departments and Town Officials

Section 1: There shall be established in the Town of Mattapoisett a Board of Public Works, hereinafter called the "Board" consisting of five (5) members. The initial Board shall consist of two (2) members elected by the Town to serve for a term of three (3) years and three (3) members from the five (5) member committee appointed by the Board of Selectmen to prepare this legislation under Article 41 of the Annual Town Meeting held April 3, 1967; such three (3) members to be selected by the Board of Selectmen who shall designate two (2) to serve for a one-year term and one (1) to serve for a two-year term. Thereafter, when the term of any member expires, his successor shall be elected to serve for three (3) years. In all cases, the members of the Board shall serve until their successors are qualified. The members of the Board shall forthwith, after each annual town election, elect from its members, a chairman and a clerk for the ensuing year. In case of a vacancy, the remaining members of the Board shall, jointly with the Board of Selectmen, within thirty (30) days, fill such vacancy until the next town election, when a new member or members shall be elected to fill the unexpired term. No person shall serve on the Board who is an employee of any town agency coming under the jurisdiction of the Board of Public Works.

Section II: Upon the qualification of the initial members of the Board of Public Works, the Board shall have all the powers and duties now and from time to time vested by general or special laws or town by-laws in the following boards, departments and offices having corresponding powers and duties in the Town of Mattapoisett, to wit: water commissioners, sewer commissioners, highway surveyor, tree warden, refuse collection, town dump, drainage engineering, mosquito and moth control department, cemetery maintenance and construction department, building inspector; with respect to construction and maintenance only, wharf and beach properties, repairs and construction of all town real estate and buildings other than schools. In addition to the foregoing, the Board shall assume all the powers and duties now or hereafter vested in the following offices: wharf commissioners, herring inspector and, with respect to public parks, maintenance and construction only, and shall assume responsibility for procurement, maintenance and repair of all town owned motor vehicles, construction equipment and machinery, and equipment and machinery of the type normally used by any agency under the jurisdiction of the Board of Public Works on or before the date of the Annual Town Meeting in the year 1973 and upon the assumption by said Board of Public Works of the powers of the said boards, offices and departments, such boards, offices and departments shall be abolished. No existing contract or license shall be affected by such abolition but a Board of Public Works shall, in all respects, be the lawful successors of the boards, departments and offices so abolished. The Board shall have such added powers with respect to public works as the town may, from time to time, by By-Law provide, any other provision of the law notwithstanding.

Section III: There shall be established under the Department of Public Works a Central Purchasing Agency which shall be responsible for all purchasing for said Department and in addition which shall, upon request of any Board, Department or Agency of the Town of Mattapoisett, perform purchasing functions for said Board or Department.

Section IV: The Board shall appoint and fix the compensation of a superintendent of public works who shall exercise and perform, under its supervision and direction, such of the powers, rights and duties transferred to it under Sections II and III as it may, from time to time, designate. He shall be specially fitted by education, training and experience to perform the duties of his office and need not be a resident of the Town of Mattapoisett upon his selection but shall, within one (1) year after his employment by the Board, become a resident of the Town of Mattapoisett. He shall be responsible for the efficient exercise and performance of such powers, rights and duties. He may be removed for just cause only and by a vote of at least four (4) members of the Board. He shall be given a written notice at least fourteen (14) days prior to the date of removal which shall specify the reasons for such removal. At his request a public hearing shall be held on the charges brought against him.

During his tenure he shall hold no other elective office nor shall he engage in any other business or occupation. He shall, if required by the Board, give to the Town a bond with a surety company authorized to transact business in the Commonwealth as surety for the faithful performance of his duties in such sum and upon such conditions as the Board may require and shall, subject to the approval of the Board, appoint such assistants, agents and employees as the exercise and performance of his powers, rights and duties may require. He shall keep full and complete records of the doings of his office and shall render to the Board, as often as it may require, a full report of all operations under his control during the period reported upon and annually and from time to time as required by the Board shall make a synopsis of such reports for publication and shall keep the Board fully advised as to the needs of the Town within the scope of his duties and shall, annually, not less than sixty (60) days prior to the expiration of the fiscal year of said Town, furnish to the Board a carefully prepared and detailed estimate in writing of the appropriations required during the next succeeding fiscal year for the proper exercise and performance of all said rights and duties. Each permanent employee of any board, department or office abolished by this act shall be transferred to and become an employee of the Board of Public Works and every employee so transferred shall retain all rights to holidays, sick leave and vacations in effect on the effective date of this act.

Section V: This act shall be submitted to the voters of the Town of Mattapoisett for acceptance at the annual town election in the year nineteen hundred and sixty-nine, in the form of the following question which shall be placed on the official ballot to be used for the election of town officers at said election:--"Shall an act passed by the General Court in the year nineteen hundred and sixty-eight, entitled 'An Act authorizing the Town of Mattapoisett to establish a Board of Public Works exercising the powers of certain other departments and town officials', be accepted?" If a majority of the votes cast in answer to this question is in the affirmative, this act shall take effect beginning with and for the purposes of the annual town election in the year nineteen hundred and seventy, but not otherwise.

Section VI: The Town of Mattapoisett may after the expiration of five (5) years from the date of acceptance of this act vote at an annual meeting to revoke such acceptance, and the question of such revocation shall be submitted to the voters in the form of the following question:--"Shall the acceptance by the Town of Mattapoisett of an act passed by the General Court in the year nineteen hundred and sixty-eight entitled 'An Act authorizing the Town of Mattapoisett to establish a Board of Public Works exercising the powers of certain other departments and town officials', be revoked?" If a majority of the votes cast in answer to said question is in the affirmative, then at the next annual town election held after said vote of revocation, the town shall elect such officers as are necessary to exercise and perform the powers, rights and duties transferred to the Board of Public Works by said act. Such action shall not affect any contract or liability then created or existing. All general laws respecting town administration and town officers, and any special laws, relative to said town, the operation of which has been suspended or superseded by the acceptance of this act, shall then be in full force and effect. Any by-law inconsistent with such special or general laws shall be revoked thereby. Any subsequent vote to revoke the acceptance of this act shall not be taken more often then once in three years.

PUBLIC NOTICE

COLLECTION OF RUBBISH AND ASHES

Mr. Manuel Santos will start collections based on the new contract May 1, 1968.

TERRITORY: Collections shall be made from all dwellings, commercial and mercantile establishments, within the Town, including clubs and churches. All persons residing within the Town whether on accepted or private ways, shall be entitled to receive rubbish and ash collection, including those who have not been serviced in the past five years provided that there is a suitable turn around at the end of the road or private way for a packer type truck, including the following roads: Jane Lane, Harvey Orchard Lane, Knollwood Drive, Meadow Lane, Saunders Avenue, The Cedars and Bayberry Lane.

TIME AND NUMBER: The Contractor shall cover the entire territory once each week and collections shall be made on Wednesday, Thursday and Friday of each said week unless some variation therefrom be agreed upon by the Town and the Contractor. Each family in Town shall be entitled to have four standard twenty gallon barrels of rubbish and ashes collected each week. Commercial and mercantile establishments shall be entitled to eight twenty gallon barrels of rubbish and ashes each week.

CONDITIONS: The Contractor agrees to perform collection and disposal in a clean and quiet manner.

The Contractor shall, upon completion of loading all his vehicles, which shall be of the packer type, take all other necessary precautions to prevent paper and rubbish from spilling on the streets of the Town.

The term "ashes" as used herein shall include ashes, floor sweepings, broken glass, shells, tin cans, etc.

The term "rubbish" as used herein shall include paper, rags, rubbish, cloth, leather, straw, excelsior, metal, etc.

No earth, gravel, stone, large branches over 4 feet in length, bushes over 4 feet in length, boards over 4 feet in length, and metal over 4 feet in length, lime, plaster, or refuse materials from demolition, construction, or repairs to buildings shall be included.

All rubbish and ashes shall be placed in standard twenty-gallon containers with handles.

Contractor will not be responsible for damage or loss to rubbish containers other than ones specified in the contract; standard 20 gallon containers with handles.

Rubbish shall be placed in a separate container from ashes, and newspapers shall be securely tied.

No barrel or container shall exceed 100 pounds in weight.

All persons desiring collection services shall place their receptacles on the outside edge of the sidewalk, if any, or road adjacent to their premises before 6:00 A.M. on the days designated for collections.

Collection of mercantile establishments shall be collected from the rear of the building, if accessible, if not from the street or sidewalk.

The Contractor shall not be obliged to collect from persons or firms who fail to comply with the foregoing conditions.

DAYS: Wednesday - Start at East End: Hollywoods, Harbor Beach, Pease Point, Aucoot Road down Route 6 to Center of Town beginning at Church Street Extension, Acushnet Road through Field Street, Homestead Court, Park Street and roads leading from Park Street.

Thursday - Regular pick up with exception of roads listed for Wednesday.

Friday - Prospect Road, Crescent Beach, Point Connett, Pine Island Road, Old Marion Road and Ned's Point.

STUDENTS TOUR UNITED NATIONS

Students from Mrs. Winifred Blethen's Asian and European History classes at the Old Rochester Regional High School toured the United Nations on Tuesday, April 16th, 1968. Approximately every week the World Affairs Council of Boston sponsors one-day tours to the United Nations for junior and senior high school students in the fall and spring of each year.

The day began with a briefing by the representative of the United Arab Republic.

After the briefing the students were taken on a guided tour of the United Nations Headquarters, General-Assembly and Council Chambers. They also had the opportunity to attend Committee Meetings
